

Behavioral Health Connector, Harlem Behavioral Health Connection Project

The Fund for Public Health in New York City (FPHNYC) is a 501(c)3 non-profit organization that is dedicated to the advancement of the health and well-being of all New Yorkers. To this end, in partnership with the New York City Department of Health and Mental Hygiene (DOHMH), FPHNYC incubates innovative public health initiatives implemented by DOHMH to advance community health throughout the city. It facilitates partnerships, often new and unconventional, between government and the private sector to develop, test, and launch new initiatives. These collaborations speed the execution of demonstration projects, effect expansion of successful pilot programs, and support rapid implementation to meet the public health needs of individuals, families, and communities across New York City.

PROGRAM OVERVIEW

Funded by: The Fund for Public Health in New York City.

Led by: The Division of Mental Hygiene at the New York City Department of Health and Mental Hygiene (DOHMH).

Main Purpose: To connect those who are eligible to a Care Coordination network called a “Health Home” when appropriate. To help those who are eligible to sign up for a health insurance plan that is designed to coordinate services for physical health, mental health, and substance use.

POSITION OVERVIEW

This position is an exciting opportunity dedicated to increasing access to care and improving quality of life. We are seeking several dynamic advocates to support and motivate individuals in their long-term recovery by connecting them to care.

Support and training you will receive:

Ongoing training and support will be provided to Connectors to enroll potential beneficiaries. This will include:

- Training on data collection and on the Health Home enrollment process offered by the selected care management agency
- DOHMH training on Medicaid Managed Care, Health and Recovery Plans (HARP), Health Homes, care management and Home and Community-Based Services (HCBS)
- Professional networking opportunities with City and civic leaders
- Experience working with City government and with NYC nonprofit organizations
- Weekly supervision with site staff

Location: Behavioral Health Connectors will be based at the DOHMH East Harlem Neighborhood Health Action Center, and will be working in both East and Central Harlem.

Time Commitment: 20 hours a week; Connectors should have the flexibility to work evening and/or weekend shifts when required

Note: This position is temporary, as this project is funded for a period of 8 months.
